CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Richlands Lease Comes Up June 30

Cabinet Trustees of the Internal Improvement Fund meeting Tuesday in Tallahassee ruled that, as a condition for bidding for a lease on some 3000 acres of Pelican Bay farmlands in Palm Beach County, the bidders will have to agree to purchase improvements made by Richlands, Inc., which has held the state-owned tract under lease for 25 years.

The Richland's, Inc., lease expires June 30. The new lease will be offered on a 25-year basis, with provisions for rental increases after the 8th and 17th years.

The lease will include a provision that, on 120 days notice, 75 acres needed for proposed airport expansion will be eliminated from the tract. The new lease also will delete seven acres which are being set aside for county park purposes.

The Board of County Commissioners of Palm Beach county at the request of Chairman Paul Rardin several months ago sought permission of the Tallahassee officials to secure the 75 acre tract for improvement of the airport in years to come. Officials of Richlands, Inc., have intimated that they are in agreement with the plans for the county to secure the 75 acre tract along with the additional tract of seven acres just north of East Shore Pump on which will be built a small park for entrance to a new boat ramp on the Lake side.

Richlands, Inc., during the 25 years it had held the property here has made about one-million dollars worth of improvements, including about \$100,000 worth which are removable. It is the removable improvements that must be purchased by any bidder other than Richlands, who is successful in winning the lease.

Camp Trip Plans By Girl Scouts

Plans for a camping trip over the weekend to the Highlands Hammock State Park near Sebring were completed by members of Pahokee Girl Scout 38 at the regular meeting in the Johnson Clinic Wednesday night.

The Scouts will assemble at the First Methodist Church at 3:45 p. m. Friday, and leave for camp at 4 o'clock, accompanied by Mrs. E. C. Johnson and Mrs. Fern Frank, troop leaders. Activities at the camp will include a nature study tour. The return trip will be Sunday afternoon.

The Woodchuck Patrol was in charge of the opening ceremony and Carol Mae Hattgen led the group in the singing.

Progress is being made on the American Red Cross first aid course troop members are taking, with final examination scheduled for April 20, according to Elaine Salvatore, troop reporter.

NEW SLATE OFFICERS

A new slate of officers will be elected by Pahokee Methodist Woman's Society of Christian Service at the April meeting in the church Monday at 8 p. m. The Margery Lair Circle will present the program and Mrs. Duncan Padgett, president, will preside.

Saturday Last Day Register To Vote

Saturday — a day on which county offices are usually closed — is the last day to register to vote. Mrs. E. L. Pope of the Glades Office Building said the office will be kept open all day Saturday in order that late-comers may get themselves qualified to vote. It is the last day to register before the May 3 primary election. So, if you aren't registered, be sure to visit the Glades office building before 5 p. m. Saturday, April 2.

Cancer Crusade To Open On April 1

Custom has tagged April 1st as a day for practical jokes and horse play—but not so for hundreds of dedicated Cancer Crusade volunteers.

There is nothing funny about April Fool's Day for Cancer Crusaders—for the date marks the opening of their annual public education and fund campaign. These volunteers are serious about their goal—saving lives now as well as countless lives in the future—a double-barreled objective of the Crusade which will continue throughout the month of April.

The Palm Beach County Crusade is being directed this year by Fred Teverbaugh, West Palm Beach business executive who has set a \$100,000 goal for his volunteer workers.

Success of the American Cancer Society's program depends upon the generous cooperation of the public, Teverbaugh said.

"If funds are available, we can step up the research now supported in hundreds of laboratories staffed by more than 1,000 scientists who are seeking to control cancer for all time. We can also fill needs in the Cancer Society's programs of service, public education and professional education, and save some of the 85,000 Americans who dies of cancer every year—without need."

All Palm Beach County communities have been organized for the Crusade, Teverbaugh said. Hundreds of volunteers—some of them already at work—will carry out the drive. "These volunteers" the chairman said, "will distribute information which we know to be life saving, and I urge every resident of Palm Beach County to study these pamphlets carefully and heed the advice."

Glades leaders of the annual crusade include Willis Warren, Belle Glade; F. S. Parrish, Pahokee; Mrs. G. H. Tucker, Canal Point.

Cafeteria Worker Will Speak Here

Mrs. Jane Lansing, County supervisor of school cafeteria managers, will be guest speaker at the April meeting of the Canal Point Parent-Teacher Association to be held in the school auditorium Monday night at 8 p. m. Following the report of the nominating committee the annual election of officers will be held. Floyd Erickson is in charge of the program and Mrs. Joe Cherry, Jr., president, will preside.

Plans Announced For Cancer Drive

Mayor F. S. Parrish, Chairman of the American Cancer Society Crusade for Pahokee, has announced the following plans, which will get underway next week in Pahokee:

Tuesday, April 5 is the day designated to start contacting business houses in Pahokee. The following will help Mayor Parrish: Lewis Friend, Dr. R. R. Long, Dr. E. C. Johnson, Dr. Wilburn Young, Bascom Belcher, C. L. Shirley, Sr., Web Pell, James Vann. (These men are on the Social and Community Welfare Committee of the Pahokee Elk's Lodge No. 1638.)

April 6, and 7th, are days set aside by members of the Pahokee Woman's Club who will again sponsor the house to house crusade. Mrs. William Plummer, and Mrs. N. R. Lemonds are the Chairmen for the Woman's Club, and they in turn have contacted the following who have volunteered to help: Mrs. George Tucker, Mrs. Edgar Wilder, Mrs. Robert Applegren, Mrs. Norman Kennedy, Mrs. Wiley Tillis, Mrs. R. R. Long, Mrs. Lee Wroten, Mrs. Joe Thompson, Mrs. Leon Spooner, Mrs. Eugene Reed, Mrs. Louis Davis, Mrs. Wallace Barnes, Mrs. Phook Baxter, Mrs. John Padgett, Mrs. Horace Unwin, Mrs. Robert Fisher, Mrs. Leland Keene, Mrs. B. R. Mosely, Mrs. Sadie Barwick, Mrs. Sam McKinstry, Sr., Mrs. Lewis Friend, Mrs. Rupert Mock, Mrs. M. P. Stanley, Mrs. Lester Hand, Mrs. Carl Davis, Mrs. Hugh Branch, Mrs. Julian Branch, Mrs. Roy Vandegrift, Jr., and Mrs. Henry Epstein.

Parents at the East Lake School will sponsor the crusade in that section of town, especially stressing the educational value of the crusade.

Pahokians who may not be at home when volunteers call, may contribute by mailing check made out to the "Cancer Fund" to the American Cancer Society, Inc., 140 Lakeview Ave. W. Palm Beach.

In Canal Point Mrs. Duke Tucker is the Chairman of the crusade and asks anyone there who wishes to contribute towards the fund to write her at Box 382, Canal Point, or send it direct to the American Cancer Society, Inc.,

Mrs. Tucker Heads Local Cancer Drive

Mrs. H. G. (Duke) Tucker, Sr., is chairman of the American Cancer Society Crusade for the Canal Point area, where the crusade starts April 1 and will continue throughout the month. Residents of Canal Point are asked to send their contributions to "Cancer Fund" to Mrs. Tucker, Box 382, Canal Point.

NATIONAL LIBRARY WEEK

The Canal Point School Library will hold open house each school day in observance of National Library Week, April 3-9. During this week the parents of school children are urged to make inspection tours of the library, which the Parent-Teacher Association helps to maintain.

Sunland Motel Open For Business

Sunland Motel is open in Belle Glade on SR80 between the city limits of Belle Glade and the Belle Glade Memorial hospital. Mr. and Mrs. George Scarborough, long-time residents of Belle Glade, are owners of the handsome new motel. They have 14 units in the original structure. In years to come they plan to build another group of units.

Miracle Man Lampi Does It Again

Bandmaster Robert O. Lampi's Pahokee High School Band was awarded first place (superior) ratings in all three divisions (concert, sight-reading and marching) of the District Three Band Contest held at the high school Wednesday afternoon. Edwina Humphrey, as student conductor, also received a superior rating in her directing of the band in a special number.

The decision of the judges was unanimous in the granting of the all-superior rating. The judging team included Manley Whitcomb, Florida State University; Charles Quarmby, Manatee High School, Bradenton; and Robert Scott, Jefferson High School, Tampa.

In earning this top rating, the PHS Band is now eligible to compete in the State Band Contest, Southern Division, at St. Petersburg, May 5-6-7.

Taxes Payable At Glades Office Bldg.

Mrs. George C. Young, manager of the County Tax Collector Stetson O. Sprout's branch office in the Glades Office Building, announces that although the deadline for paying County and State real estate taxes without a penalty is past, such taxes may be paid at the Glades Office Building from April 1 through April 7, with a 3 percent penalty added to the original bill. Personal property taxes may also be paid at the branch office during this period, with a 1 percent penalty added.

After April 7 it will still be possible to pay 1959 taxes at the Glades Office Building, but the taxpayer will have to pay the penalties accrued up to the time of payment as determined through a special telephone call to the County Courthouse in West Palm Beach and in addition, will have to pay the cost of the telephone call.

On May 30 tax certificates for unpaid 1959 real estate taxes will go on public sale, Mrs. Young said.

Brenda Carter Wins 2nd In Harvest Queen

Miss Brenda Carter, Pahokee high school senior, won second place in the Harvest Queen Festival held at Belle Glade Saturday night by the Jaycees. Miss Karen Gove of Belle Glade was first place winner and Miss Pat Anderson came in third. 39 beautiful young ladies participated in the contest. A capacity crowd was in attendance.

Bids Opened For Jail, City Hall Work

Bids for the construction of new additions to the Pahokee city hall, jail and fire station were opened by the City Council in regular session Monday night. Contractors submitting bids were Blanton and Unwin, \$59,845.00; Wiley Tillis, \$79,460.06; John L. Taylor, \$71,175.94; and Eddy Construction Co., \$81,858.00. All bids were referred to Elliott Gross, city engineer, who will study the bids with the architect before making his recommendations to the council.

It was voted to ask interested parties to submit offers for the purchase of \$75,000 in bonds being issued by the city under provisions in ordinance number 1-50 to finance the construction of the city hall, jail and fire station additions. The Council will hold a special meeting Wednesday at 3 p. m. to hear proposals for the purchase of these bonds.

Also opened at the meeting were bids for the construction of an extension of the city waterworks intake system farther out in Lake Okechobee. Submitted were the bids of Cleary Bros., \$7,500; Murphy Construction Co., \$8,750; Powell Brothers, Inc., \$10,845 and an alternate bid of \$12,250. These bids were referred to Russell Axon, consultant waterworks engineer, for study and recommendation.

City Attorney Ralph O. Johnson was authorized to start proceedings for the collection of delinquent sidewalk assessments, some of which are up to five years overdue.

Appointed on an election board for the May 3rd city election were Mrs. Eula Tillis, clerk; Mrs. Irene Hurt, Mrs. Estelle Sanders, Mrs. Josephine Hardaway and Mrs. Janis Boyd, inspectors; Mrs. Carrie Unwin and Mrs. Shirley Shirley, alternates; and R. J. Crews, deputy marshal. A mayor, chief of police, city clerk and three councilmen will be elected.

It was announced the city is advertising for a manager of the municipal swimming pool in the city park, which is scheduled to open for the season on April 15. A request by Frank Brady for the installation of a radio broadcasting antenna on top of the North Lake Avenue water tower was tabled for study.

White Lines Painted On Roads' Edge

State Road Department workers have completed painting white lines on the outer edge of Roads in the Glades. The outside white line is something new started by the department a couple of years ago and motorists are pleased with the assistance the lines give when driving—especially at night.

HOSPITAL PATIENTS

Among patients remaining at the Everglades Memorial Hospital Wednesday were Mrs. Maggie Johnson, James Finch, Tom Sullivan, Mrs. Bonnie York, Michael Maxson, Debra Smith, Mrs. Bertha White, J. R. Nix and Mrs. Alice Finch.

JOHN E. BORN

John E. Born Seeks County Judgeship

John E. Born, municipal judge at West Palm Beach for the past four years, has announced his candidacy in the Democratic Primary election for the office of County Judge of Palm Beach County.

A practicing attorney for the past ten years, Born, in addition to his two elected terms on the municipal bench, also served as Judge Ad Litem, prior to his election.

Born said he will campaign on the basis of impartial administration of the court and with a pledge to establish modern methods of court management which will serve to better conduct court affairs for all interested parties - modern methods which will also be an aid to court attaches and attorneys in carrying out the legal requirements of an increasing case load now being filed in the court.

The many facets of the courts presided over by the county judge, he said, require patient and careful attention. One of the most important facets of the court, he

noted, is the juvenile section which is charged with the responsibility of handling the affairs of dependent and delinquent children up to 17 years of age. This group of young citizens, Born said, deserve careful and studied consideration of all their many problems, together with the type of counseling found in a happy home—which many of these youngsters have missed. The juvenile section of the court, Born said, is one of the most important of all court responsibilities and under his direction, will be accorded continuous attention.

The court also deals with estates, incompetency proceedings and civil jurisdiction concurrent with the Small Claims Court. Each of these sections, Born said, will be conducted in a fair manner to assure impartial justice at all times.

Born, who is 40 years old, was born in Pennsylvania. He is a graduate of the University of Miami with two degrees—law and business administration. In connection with his work as an attorney, for the past two years, he has served as president of the Legal Aid Society.

He was appointed a Florida Deputy Industrial Commissioner a post he resigned to conduct his campaign for county judge.

He is a veteran of World War 2,

where he served for three years with the Army Engineers. After service in the South Pacific, he was discharged as a first sergeant. Today he holds membership in the American Legion.

Active in youth work, Born has served as president of the Prep Baseball League for the past five years. This league is made up of 11 teams of high school boys from Jupiter to Boynton Beach. He is also an active member in the YMCA Indian Guides—a father-son program sponsored by the "Y".

He is a member of Holy Trinity Episcopal Church and resides at 250 Potter Road, West Palm Beach with his wife and two children.

TO ATTEND CONFERENCE

Plans to send delegates to the annual conference of the Florida Methodist Woman's Society of Christian Service in Miami, April 18-19, will be completed by members of the Canal Point WSCS at the April meeting in the Sunday School building Tuesday at 8 p. m. Mrs. W. E. Blackwell, president, will preside, Mrs. W. K. Buchanan will present the program and Mrs. Elmer Maxson will be hostess for the evening.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

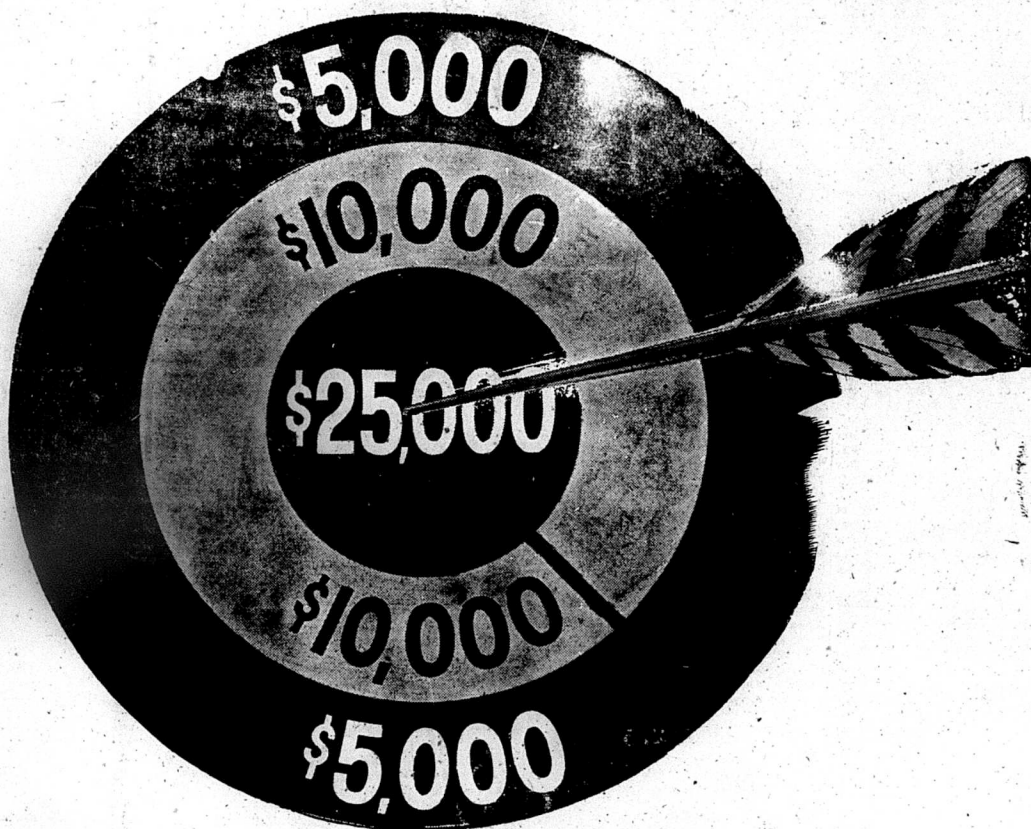

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2068 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Hancock Assures Workers Of Jobs

Employees of the Department of Agriculture who are performing their jobs with a reasonable degree of proficiency were assured of job security today by W. R. (Buster) Hancock, candidate for Commissioner of Agriculture.

Speaking at a campaign worker rally, Hancock said that as president of the Florida Agricultural Council for the past 10 years, he has enjoyed working closely with department personnel. "I know most of them and count them as my friends."

"Those in the department who are efficient and loyal workers have nothing to fear if I am elected," the candidate explained.

"Past performance and the record of each employee in abiding by department rules should be the guiding factor in the future job security under my administration," the Groveland citrus grower said.

He said he had been told by several people that they had been promised jobs by his opponents, adding, "I shall never resort to this type of political subterfuge."

"There will be no jobs for sale nor will there be jobs traded for political favors under my administration of the department," he declared. "All rules of the department will be enforced on a uniform and impartial basis," he concluded.

Mr. and Mrs. A. H. Scruggs and son, Horace, visited their son-in-law and daughter, Mr. and Mrs. Calvin Padgett and family in Lakeland over the weekend.

April Short Course Planned For Cattle Breeders, Herdsmen

GAINESVILLE—Eight out-of-state speakers will be featured during the University of Florida's annual beef cattle breeders' and herdsmen's short course April 21-23.

Dr. T. J. Cunha, head of the University's animal husbandry and nutrition department, says these eight specialists will augment Florida personnel during the three-day conference.

Wayman G. Chapell, Doane Agricultural Digest, Memphis, will appear during the first morning to report on the beef cattle industry outlook for the coming year.

R. A. Jones, deputy administrator, USDA Foreign Agricultural Service, will follow Chapell with a discussion of American policy in the importation and exportation of beef.

On-the-farm-production testing will be discussed by John I. Spooner, Donaldsonville, Georgia. Another rancher, Don Smith, Prattville, Alabama, will report on production practices used for maximum efficiency.

Harry Gayden, executive secretary, American Brahman Breeders Association, Houston, Texas, will discuss cattle problems found in Latin American countries. New developments in beef production, processing and distribution will be highlighted by Dr. H. E. Robinson, Swift and Company, Chicago.

Dr. H. J. Hill, director of beef cattle improvement research, Denver, Colorado, and Dr. David Bartlett, American Breeders Service, Chicago, will discuss benefits and the future of artificial insemination with beef cattle Saturday morning. The entire program on Saturday will be devoted to this field, with demonstrations scheduled for the afternoon.

In addition to these out-of-state specialists, the three-day program will feature University personnel and outstanding cattlemen from throughout the state.

Mr. and Mrs. Lee Harrington and family, formerly of Boston, Mass., have moved to Canal Point where they are making their home in the Chastain residence on Lake Front Drive. Mr. Harrington will be manager of the Crown Ice Company's new ice plant which opens soon in the triangle east of the LOFC packing house.

Mr. and Mrs. N. V. Lewis have returned to their home in Tampa after assisting with the revival at the Canal Point Methodist Church. They were house guests of Mr. and Mrs. W. E. Blackwell, and family during their stay in Canal Point.

Henry O. Earwood Asks Reelection

Henry O. Earwood announces for re-election for the Board of Public Instruction of Palm Beach County, District 4, Glades area, county-wide vote.

If re-elected to this important position I shall continue to conduct the business affairs of this office with the same sincerity of purpose and with the same degree of dignity that I have practiced during the 8 years that I have served on this Board.

I will continue to support as I have during the past 8 years the following:

1. 3-R's Basic Education.
2. Sound Business Practices in all School Affairs.
3. No Frills in our School Building Program.
4. Continued Improvement in Guidance, Science, Mathematics, Languages, Etc.
5. Local Control of Schools.
6. Adequate Pay for Teachers and Other Employees.

Mr. Earwood attended the University of Florida, School of Education, and was a classroom teacher-coach, and principal for 8 years in the public schools of Florida. He served as trustee of the Palm Beach County Schools for Two Years. He has been a member of the Board of Public Instruction of Palm Beach County for the last 8 years and has served as chairman of that Board for 2 years.

He served as president of the Florida School Board Association during 1958-59. He is now serving as a member of the Continuing Educational Council of Florida, representing the state School Board Association. He is currently serving as 1st vice president of the Southeastern States School Board Association, comprised of 14 southeastern states.

He is a member of the Florida Education Association, Florida School Board Association, National School Board Association, and the Parent-Teacher Association. He is a member of the Ethics Committee of the National School Board Association.

Mr. Earwood is past president of the Belle Glade Lions Club, past president of the Belle Glade Chamber of Commerce, a member of the Benevolent Protective Order of Elks, a member of the Masonic F. & A. M. Lodge No. 273, and a member of the Church of Christ in Belle Glade.

Mr. Earwood is engaged in the life insurance business, representing the New York Life Insurance Company, and is also engaged in the cattle business.

He is married, has one daughter, and also has a niece who is currently residing at the Earwood home and attending Belle Glade High School. Mr. Earwood is art teacher in the Belle Glade Schools.

Christian Science Group Of Canal Point

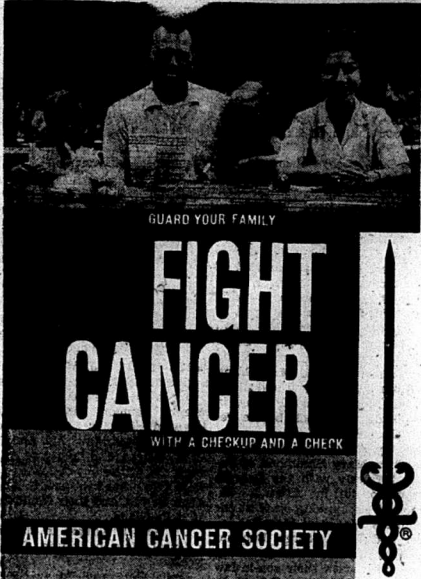

Overcoming of fatigue and weariness through entirely spiritual means will be a theme dealt with at Christian Science services this Sunday.
 Scriptural readings in the Lesson-Sermon on "Unreality" will include the following from Isaiah (40:28, 29):
 "Hast thou not known? has thou not hear, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? there is no searching of his understanding. He giveth power to the faint; and to them that have no might he increaseth strength."
 Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (385:15-18): "Constant toil, deprivations, exposures, and all untoward conditions, if without sin, can be experienced without suffering. Whatever it is your duty to do, you can do without harm to yourself."

World Mission Meet In Daytona

The Florida Baptist World Missions Conference will begin Tuesday evening, April 5, at the First Baptist Church, Daytona Beach. This meeting will be held in connection with the annual meeting of Baptists' Woman's Missionary Union, April 5, 6 and 7, according to John Maguire, executive secretary of Florida Baptist Convention.
 Mrs. J. H. Lockhart, president of Florida's Woman's Missionary Union, will preside over the meetings.
 Personnel from the Southern Baptist Convention Foreign Mission Board and Home Mission Board, including executive secretaries Baker James Cauthen and Courts Redford, will be featured speakers during the three day meeting. Also featured on the program will be Mrs. William McMurray, of the Southern Baptist Woman's Missionary Union, Birmingham, and Dr. Carl Bates, pastor, First Baptist Church, Charlotte, North Carolina.
 Woman's Missionary Union will hold methods conferences and their annual election of officers will take place. For the men attending the meeting special conferences will be held on mission education, laymen's work, Royal Ambassador leadership, new missions and churches, and the Forward Program of Church Finance.

Scouts Hear Editor, Enjoy Camp Trip

At the Friday night meeting of Boy Scout Troop 628 we had as our special guest Mr. Luther M. York, editor of the Glades Observer. During the meeting he took pictures of the boys. Everyone enjoyed his visit very much and hopes that he will make it a habit. Final plans were made for the survival camping trip, which had to be postponed several times for various reasons.
 Saturday at noon Scoutmaster Louis Mims and Assistant Scoutmaster Ed Carver, with twenty boys from three patrols left on the survival camping trip. We arrived at Palmdale at 2:30 P. M. and at 3:10 the survival began. We had eaten at the little grocery store before the survival started but after pushing Lizzie No. 2 out of about six bog holes we could have eaten again. As we would find a good camping place Mr. Mims would let a patrol off the bus at approximately one half mile apart. First, Wayne Boynton's patrol, then Billy Bob's patrol and last Roger Simonson's patrol. The first task was to build a lean-to to sleep in and after that began the fun of hunting food. It's really surprising how good boiled frog legs, broiled bass and mud fish with swamp cabbage can taste. It was hard but fun and not a single boy broke survival. For some it was their first survival camping trip and we had a number of new boys who had come up from Cub Scouting. Everyone had a really good time.

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest at current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

Flying to Tallahassee for the Board of Control meeting to present 280 Boca Raton university resolutions last Friday were, left to right: Col. Wright Vermilya, Jr., president of Palm Beach Aero Corp.; Robert Cowles, co-pilot; Sam Sefris, chief pilot Butler Aviation; Art Kell, Manager of the Resources Development Board of Palm Beach County; Rep. Emmett S. Roberts of Belle Glade; Rep. Ralph J. Blank, Jr., of West Palm Beach; P. Paul deMoya, president of the Resources Development Board and Thomas F. Fleming, Jr., chairman of the RDB committee on Boca Raton University.

WEST PALM BEACH—Resolutions supporting a speed-up in construction of Boca Raton University from Palm Beach county and seven others in the southeast has a "most favorable" reception at the State Board of Control meeting Friday according to State Reps. Emmett

S. Roberts and Ralph J. Blank, Jr., of Palm Beach county.

Gratitude for the support of Palm Beach county people who authorized part of the 280 resolutions submitted to the Board was expressed by Thomas F. Fleming, Jr., chairman of the university committee of the Resources Development Board of Palm Beach County, who spearheaded the drive for expressions of public support in the eight counties.

"If the organizations average 200 members, the resolutions speak for more than 50,000 citizens interested in the early opening of the Boca Raton university", Chairman Fleming told the members of the Board of Control in Tallahassee, "and since they range from 50 to 1,500 members, I believe the estimate is a fair one.

"We are most impressed by the response from the people of the area since all of these resolutions have been acted upon within the last two weeks. On behalf of the committee and our legislative delegation, we want to thank all of those who took an active part in support of this vital movement to secure the university as quickly as possible."

He pointed out that 34 of the resolutions came from county commissions, school boards and municipal governing bodies, while the remainder came from chambers of commerce, civic clubs, veterans, church, P. T. A., and fraternal organizations.

In their presentations to the Board, Reps. Roberts and Blank pointed out the fact that their own State statisticians predict a college demand by 121,800 students in 1965 out of which more than 40,000 will come from the eight southeastern counties. This will be more than double the present college enrollment in Florida and will require new facilities at Boca Raton in addition to expansion of the State's present colleges and universities and quadrupling of the Junior college system.

FILM IS SHOWN

A film showing the effectiveness of the emergency mouth-to-mouth method of resuscitation was shown by Paul Collier of Pahokee at the weekly dinner meeting of the Canal Point Lions Club. O. H. Shepard was in charge of the program and President James Gibson presided. Following the meeting the Lions attended the barbecue dinner honoring Buster Hancock at the Pahokee Woman's Club building.

AT AVON PARK MEET

O. B. McClure, president of the Pahokee-Canal Point Migrants Relief Committee, and Mrs. McClure attended the state-wide meeting of the Christian Ministry to Migrants at Avon Park. Others from Pahokee who were present were The Rev. and Mrs. James Eberly, home missionaries to migrants stationed at the Pahokee Labor Supply Camp; Mrs. H. C. Graham, County welfare officer; and Miss Jane Plummer, County nurse.

Mr. and Mrs. Lloyd Hundley had as guests Mr. and Mrs. Dick McRae of Kingman, Kansas.

Catholic Mass Explanation Set

Any person interested in the explanation of the Catholic Mass will have an opportunity to hear this explanation at the Catholic Mass to be held at St. Phillips' Catholic Church on SR 80 in Belle Glade Sunday at 9:30 a. m. During the offering of the Mass by Father Rafael, an oral explanation will be given by Father Xavier Morris. This will help answer questions many people have concerning the Mass.
